Start time: 7:08pm

Welcome and Comments – Danielle Fredella, President

Thank you for joining this evening.

Elementary Principal's Report: Corby Swan

Principal Swan's PreK - 4 Update

I am extremely excited to announce that the district will be using a new math program in Grades K - 4 beginning next school year. The name of the program is i-Ready Classroom Mathematics and it focuses on three core beliefs: 1) Teachers use data to Differentiate Instruction 2) Students take ownership of their learning and 3) Practice matches the rigor of the standards.

I am also very excited that many of our teachers and students have already or will be doing some end of the year celebrations such as the Jenkinson's Aquarium Virtual Penguin Visit, the Mother's Day Tea, an outdoor planting project, a Poetry Picnic, a shirt tie-dying activity, a towel picnic, and even a possible PreK promotion.

Our School Family Partnership Series has been great this year. We started with Mrs. Alfieri and Ms. Spero on Helping Your Child Learn to Read, then Dr. Puglia and Ms. Skiba on Ways to maximize Digital and Virtual Learning, followed by Title Talk with Ms. Mancini, and our last one was Promoting Speech and Language in the Home by Mrs. Doorly and Mrs. Friedman. Thank you so much to these teachers for taking the time to work on these presentations, then to take a night out of their own time to present them, and of course to the PTO for supporting these efforts and giving them a platform.

Thank you for the boxed meals that you provided to our staff on National Teacher Appreciation Day!

Shoutout to Danielle Fredella & Faith Constable for all of their work on the bulletin boards. Thank you very much for what you do.

Middle School Principal's Report: Dr. Elizabeth Omegna

Not present. Reported by Danielle Fredella

A HUGE thanks to our amazing PTO for spoiling the staff during staff appreciation! Gift cards, yummy lunches, and a lot of love were out and about and we cannot thank you enough for the continued support!

State Testing was cancelled in grades 3-8 by the DoEd, with the exception of ELL (English Language Learner) testing which is going on in May along with 2nd and 4th-grade CoGat testing which is a measurement of reasoning and thinking that is used with other measurers for placements.

Earth Day was celebrated by our Wellness and Sustainability crew with a helping hand by our 8th graders who collected recycled water bottles in the cafe. These were repurposed/reused/recycled to plant seedlings to share with staff for staff appreciation.

Spring Sports are braving the weather and today both Lacrosse and Softball had games and we are keeping our fingers crossed for no rain during play!

With less than 30 days, we are prepping for our Promotion Ceremony (with details to follow in our May MS Newsletter coming out Friday).

Correspondence and Minutes Marissa Nolfi, Secretary

- All PTO Meeting Minutes Reports can be found on our websites & social media
- Lots of Thank you's for the Amazon gift cards distributed to teachers from our leftover homeroom parent money from last school year that couldn't be used due to covid.
- Examples of what teachers did with their gift cards: Ms. Spero purchased the supplies to create an earth day/mother's day planting project with pictures of the children on the flower pots and chalkboard stakes that the kids wrote "mom" on, dirt, seeds and other miscellaneous crafts to pull off the planting project. Mrs. Holzberger was very excited at the timing of her gc and used it to buy ingredients to make an Authentic French drink for her 7th grade students called "French Teisseire Sirop". She included the 8th graders as well as they missed out last year due to covid.
- Thank you's for the Staff Appreciation Lunch. Staff was very thankful for their grab and go meals that the PTO donated.
- Dr. O sent a beautiful card explaining how deeply touched she is by what we do for BTS and that sharing the children with her is very special. Lunch was phenomenal and she is super appreciative of our love, kindness and support to our BTS community.
