Governor's Educator of the Year Program

On October 11th, you should have also received an email regarding the Governor's Educator of the Year Program. The criteria to use is on the form that was emailed to you. This is a tremendous opportunity to nominate an outstanding educator that you feel meets the criteria on the form.

Middle School Principal's Report: Dr. Elizabeth Omega

Thank you to all who attended BTSN and/or gave us feedback on the MS BTSN design for future improvements.

We continue to thank your PTO for their continued support of programs and fundraisers that benefit our students as well as all the parent volunteers for engagement.

As the testing coordinator, you hopefully received the hand letter on district testing dates for they year, also on our website as well as information for students in grades 3-8 scores from spring NJSLA which is also in the Genesis platform for access, along with the grade book, absence and conduct tracking and the ability to post future absences notes without calling the school phone line.

The middle school newsletter comes out each month and should be out Friday/Monday with Middle School specific items on things like deadlines for field trips, sports paperwork, conference information, family resources, Student of the Month, and important alerts. If your Genesis is not active with an email, you will not receive it. (Sidebar: enable emails from domains ending in bedminsterschool.org to receive these and school messenger alerts. Families have shared that yahoo and aol domains often block these notifications so check your spam).

Teacher Representative: Melissa Davies

I will be your liaison for tonight's PTO meeting. I am a second grade teacher. Just to report a little that's been going on in the school.

Mr. Moreira and Mr. Patrick- the 5th grade science classes were introduced to the evolution of engineering design by looking at changes to the Ford Mustang over 50 years. Students are now researching their own choice of a product that have evolved over 50 years. Some examples include ways to listen to music, light bulb styles, and video games.

Coach Biletski- soccer team has won 2 of its past 4 matches. Match played today at Deerfield and Friday at Somerville.

Ms. Alfone- In honor of Hispanic Heritage month her class cooked mini empanadas and fired plantains in the FCS room.

Mr. Prinz- using a trivia contest called Moth Non Math Trivia to review math concepts with 7th and 8th grade classes. Students pick from choice of topics and each part has 2 questions- 1 directly related to math in the topic and another that relates to the topic in same way (ex. Science class). Students earn points by getting 1 or both correct.

Mrs. Holzberger and Mr. McCoy- Student Council Elections are this Thursday. Candidate videos will be shown during Social Studies classes on Thursday and students will cast their ballots. Winners will

be announced Friday morning. Once the officers meet, there will be an opportunity for students in grades 5-8 to apply to be grade level delegates. Students will hear more about that next week.

Mrs. Rosnell and Mrs. Alfieri- Have started 3rd Grade Drama Club with (24)3rd graders and 4th and 8th grade volunteers.

Mrs. Lovejoy and Ms. Spero- 1st grade working on Creepy Carrots Stem Project. Getting ready to do the Readers Theater for Thanksgiving.
