Hello Bulldogs,

The PTO is wrapping up for the year and our newly elected Board is already looking ahead to the 2020-2021 school year. [Danielle](#) and [Meghan](#) will be heading up the team moving forward and Amber and Marissa are excited and eager to jump in. These ladies will be amazing and I can't wait to see what's ahead.

This will be the last newsletter I write and to be honest, this was not the way I hoped to end the school year or my last year on the PTO Board but, when life gives you lemons.....

I've had the pleasure of serving and volunteering with amazingly wonderful people over the past 4 years. New friends have been made, laughs have been shared and I'd like to think we've done a little good for our school, our students and our wonderful community. I am extremely proud to be a part of such a great organization and town. We may be small when compared to others, but if you measured us by the size of our hearts, we would be bigger than any metropolis. I must admit, there are a few tears as I type this, but my PTO memories will warm my heart.

To Amber and Marissa, I know that you will both love working with the families of BTS. There are so many fantastic parents you'll get to know; your time on the Board will be memorable. Thank you, Danielle, Meghan and Ralph, for walking this journey with me, it's been both an honor and privilege working side by side with you.

This summer will be different than any other we have experienced, but I hope you will be able to find a little *fun in the sun* and with a little bit of luck and patience we will all be together soon and can start making new Bulldog memories.

Stay well,  
Ramsey
